#3Gen24

# A welcome from your Youth President

It's an honour, as your Youth President, to welcome you to this year's 3Generate. As always, we'll be spending the weekend tuning into God, the world and each other so that we can prayerfully consider what God might be saying to us, and what we might be called to do in response when we get back home.

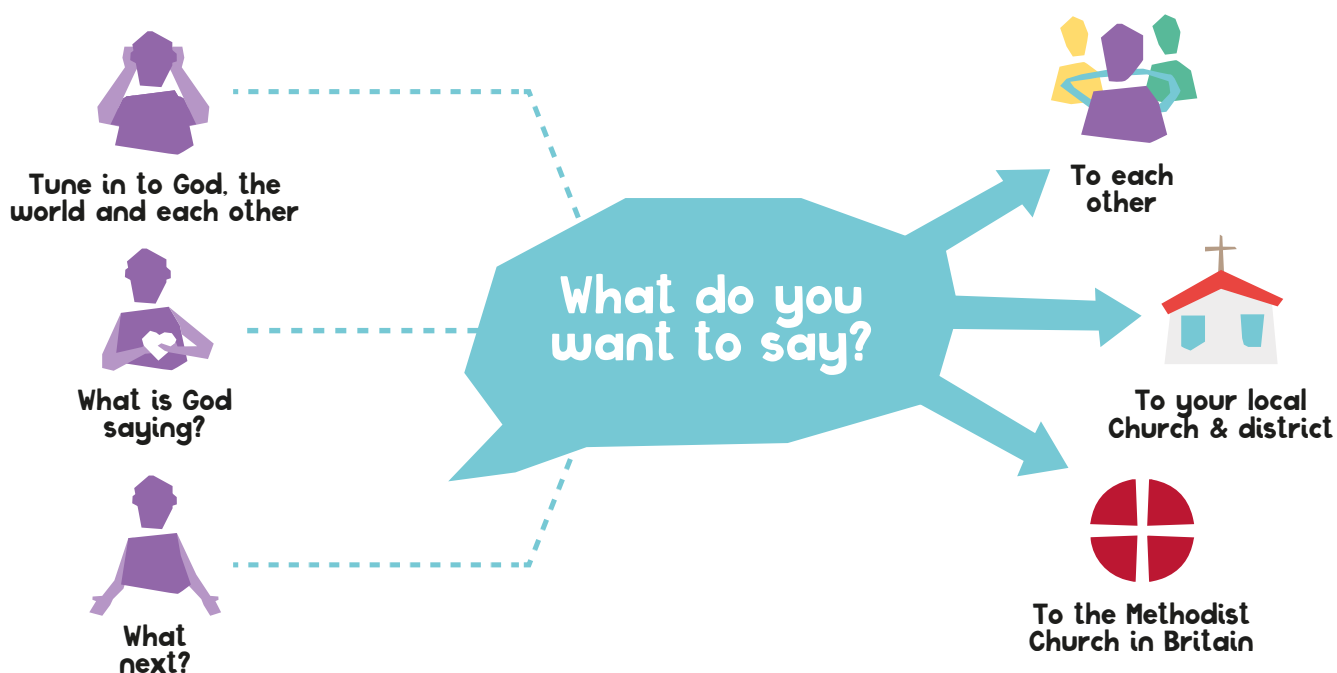

As a result of 3Generate, it would be fantastic to see you all making positive changes in your local churches, schools and communities – and in the wider world. We all have the power to be Agents of Change!

Please also look out for the 3Generate Youth Reps

in their maroon hoodies, who will be in The Park and around site, finding out what matters to you and what you'd like the wider Methodist Church to be thinking about. I pray that this weekend will be one of fun, friendship and inspiration for each and every one of you.

**Bea Hulme**

## Tune in this weekend

# A place where all are welcome

We love the fact that people come to 3Generate from lots of different places, bringing loads of diverse experiences, ideas and beliefs. It may well be that you end up in conversation with people who see the world, and what it means to be a Christian, very differently to you – and that's okay. In fact, it's a brilliant opportunity to learn from one another.

**We all have a role to play in making sure that 3Generate is a place where everyone feels respected and safe** regardless of their race, gender, sexuality, age, what they believe or what their church is like (or if they go to no church at all). Please be kind to one another while sharing in conversation and fun.

# Understanding the 3Gen programme and choosing the right activity for you

There are a number of ways to find out what's on at 3Generate. Here is what's available to help you decide what to do and when:

## Paper programme

Here you'll find the full programme, in chunks of time, venue by venue. For each session it also tells you:

All Ages

### The age group it's for

### How quiet or loud it is

### How long it lasts

There is also information here about rolling programme activities, other fun things happening around the site, plus some useful care information.

## The giant programme

This can be found near the entrance, between the camping village and 3Gen Town. It displays what's on throughout the weekend in each venue, again in chunks of time: morning, afternoon and evening.

## Now and Next screens

Each venue has a screen outside where you can see what's happening now and what is coming up next.

## 3Gen App

Use this to search by time, age group and volume to find the sessions that suit you!

# Helping you to join in fully

We want everyone to feel completely at home and able to join in at 3Generate. If you need any help engaging with parts of the programme, you can find the Accessibility Team in the Calm venue. They can offer support with understanding the programme, or accessing venues around the site.

The Calm venue is also a protected quiet space where you can come for a bit of time out if needed at any point during the weekend.

## Within most venues you'll be able to find the following resources:

A fidget toy if you'd like something in your hands to help you listen.

A quieter space or area you can retreat to if you need a bit of a break.

Ear defenders if it's too noisy.

Team members who will talk to you about what's going on and different ways you can join in.

---

## Other information

You'll find **accessible toilets** marked on the map. If you need details of **NEC Changing Places**, ask the Accessibility Team.

There is a **quiet dining room**, which will be supported by the Accessibility Team inside the canteen space – come and chat to us to find out more.

Across the venues, there will be **Calm collabs** to support you to join in. We will be travelling to these sessions from the Calm venue together, and will make sure the activities enable us to keep our bodies well regulated and support different methods of communication.

At the **Big Worship** gatherings, you will be able to find the Accessibility Team in their marked out spot with ear defenders, fidgets and a space to retreat if you need one.

Some sessions will be **British Sign Language** interpreted. Check in with the Accessibility Team to find out more.

# Other stuff you need to know

## Meals during the weekend

On Friday evening we will be serving a selection of hot food from 8pm onwards. Enjoy your food when you've settled in!

Breakfast on Saturday and Sunday will be served from 7am to 9am.

Saturday lunch will be served from 12pm to 1pm and 1.30pm to 2.30pm and Saturday dinner will be served from 5pm to 7.30pm. You can turn up at ANY TIME during these slots and there will still be plenty of food available. There are loads of exciting things happening across site during these times so have a look at the programme, choose the sessions you don't want to miss, and plan your meals to fit around them!

On Sunday we're encouraging you to pick up your packed lunch from the dining area and gather in The Park at 12pm with your group for a final act of Big Worship, including a picnic, before travelling home.

## Vocational Market

Back for this year and bigger! Find the market next to the new Discovery Centre venue and explore the stalls, with lots of exciting opportunities on offer and resources to get you thinking about how you can use your God-given gifts and skills to be an Agent of Change in the world.

## Talk with Jesus on the Shoreline

This year 3Generate will be partnering with Shoreline Methodist Community. Shoreline is an online group, who gather for worship and daily prayers in order to feel encouraged and supported to go out and serve local communities and beyond. You can find them by the Tech Hub, where you will be encouraged to imagine yourself on your favourite beach, to see that Jesus has lit a fire for you and wants to know what is on your mind. Sit by the fire, on our very own 3Generate shoreline, and share with Jesus the changes you want to see in your church, your community and in the world. You'll be invited to record your prayer, so that others can pray alongside you as part of the Shoreline movement.

Group leaders, why not come and sit on the shoreline and record a prayer for other youth leaders and for work with children and young people?

## Action for Hope HQ

The Methodist Church is working towards net-zero carbon emissions by 2030. It's a huge task, but so important at this time of climate crisis, and we need every one – no matter their age – on board! You can either drop-in to find out more or, if you're really serious about taking action, book a surgery slot via the Helpdesk and bring your whole group to do some serious planning for how you're going to lead the way when you get back home.

## 3Gen From Scratch

Each year 3Generate provides space for the children and young people attending to share their God-given gifts and talents with others. This year one of the ways we'll be doing this is through '3Gen From Scratch'. Look out for different 'From Scratch' workshops during Saturday in both The Theatre and The Arena and join in. Then, on Saturday evening, take to the 3Gen stage with others to showcase what you've learned.

## New for 2024: The Village Green

This year 3Generate is partnering with the Girls' Brigade to host this new and exciting venue, which will be situated near the camping village. This is a place to retreat to if you need to get away from the hustle and bustle of the 3Gen Town. There will be board games and other activities for you and your group, as well as simply a chance to chill and chat.

## Virtual escape rooms

Recognising just how popular escape rooms have proven to be at 3Generate in the last couple of years, in 2024 we're trying to increase capacity and make space for everyone to have a go – by taking our Escape Rooms into the virtual world. You and your group can have a go at solving the challenges and cracking the codes through the magic of VR.

## Group Time

### 3pm - 4pm on Saturday

An opportunity to check in with your group, to talk about what you've seen and heard so far and what you are going to do about it when you get back home!

## The Big 3Gen Tournament!

New for this year, on Sunday morning from 9am to 11am there will be a special dodgeball arena set-up next to the 3Gen Town. Sign-up your team at the help desk to take part in this knockout challenge. Make sure you bring your cheering squad!

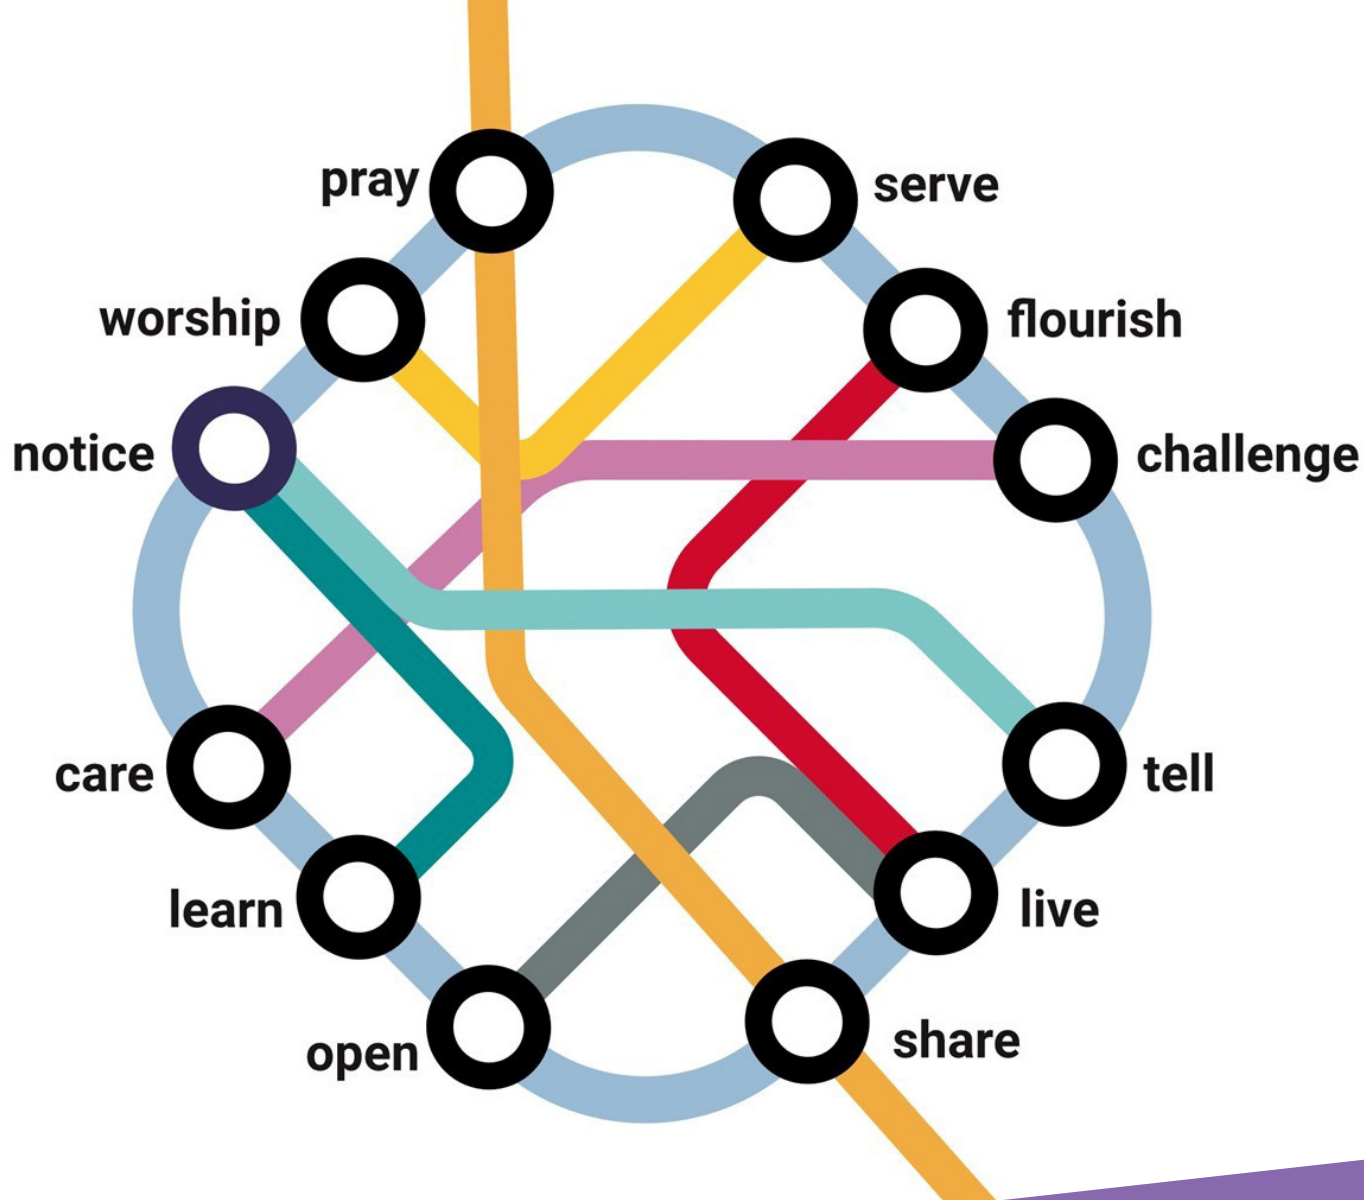

## 3Gen on air

Also in the Tech Hub this year, we'll be going live with our very own podcast. Hosted by Premier Radio's Cassandra Maria and Mike Ivatt our senior Media Officer, featuring news from across the 3Gen weekend, we'll be looking for you to get involved too! There's a workshop on Saturday morning if you want to get involved in creating the 3Gen podcast. Share your thoughts, send in your requests and get your voice heard. Check the Tech Hub schedule or visit the venue for details.

4-7s

## Mini 3Generate for 4-7s

There's a brand new venue for 4 to 7 year olds, and the significant adults in their lives, to explore this year. In a bigger space right next door to the 3Gen Town, it's a chance to explore, be active, have fun, meet friends, tune in to God and relax when they need a recharge. It has lots of features of the 3Gen Town, just on a smaller scale. They are here on Saturday 5 October and if you know any who are visiting, why not ask them afterwards what the highlight of their day was?

# A Methodist Way of Life at 3Generate

Nothing we do can make God love us more – but things we do can help us tune in and realise how deeply we are loved by God. In the Methodist Church, there are 12 practices that we think particularly help us to meet God and grow in faith. We call this A Methodist Way of Life.

Some might feel familiar and safe, or like a passion. But we might avoid others because they're scary or difficult – meeting God here feels hard. God calls each of us to get involved in all 12, so that we experience God's love and respond to it in different ways. We won't find it easy, but God helps us to do it as best we can.

These practices are things we do in all parts of our life – not just on Sunday, but at school with our friends, or at home with our family. And at 3Generate!

Lots of the activities at 3Generate connect to one or more of the practices of A Methodist Way of Life. Why not pick your favourite practice and the one you'd like to avoid, and do an activity for each one? That way you'll be doing one thing you'll really enjoy, and one thing that might be hard but that you'll grow from. Like our Augmented Reality session in the Tech Hub, which relates to the practice of noticing.

You can use the app on your phone or on one of the tablets on site to search for something to do. Just go into the app, click on the programme, and filter by the practice you want to find.

Or use the 'Now and Next' screens to see which practice the activity you're about to do relates to.

Or take a short quiz on one of the tablets in the Town Square.

### But wait, there's more!

Because A Methodist Way of Life is about all of life, we're giving you a free gift to take home with you. Every person at 3Generate (yes, the leaders too!) gets to take home either a blanket or a beanie hat.

As you get involved in different sessions and activities at 3Generate, you'll be given badges that can be ironed or sewn onto your blanket or beanie. Take these home with you, show them to your friends and explain what they mean to you.

You can find help with sewing your badges straight onto your beanie or blanket in the Village Green.

Got any questions? Come find the MWOL team in the Town Square.

# Worship at 3Generate

## God comes to 3Generate too!

The whole of 3Generate is a chance to tune in to God, the world and each other, and to know God's amazing love for you, in everything you do: the activities, the conversation, the friendship, the fun. And there are special times when we all pause and worship God here, together.

This year our focus for worship is this painting, which was picked from the Methodist Modern Art Collection by the 3Gen Influencers.

It doesn't actually have a name. The artist, John Brokenshawe, didn't want to restrict what it means.

What do you think of it?

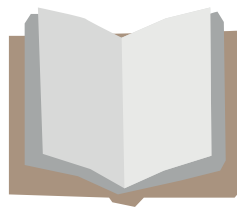

Some people see God as the white bird/angel shape in the middle. The Bible says several times that God is like a mother bird, holding her chicks in her wings.

Other people see God in the dark blue area around the edge, holding the bird safely from all directions.

['Untitled' image, John Brokenshawe, from MMAC]

We also have a core Bible passage this year, taken from Mark 10:13-16. It's a super-radical story of a time when Jesus' followers thought that young people should be excluded, but Jesus had none of that. Jesus took the young people in his arms and blessed them.

The worship theme for this year is a mash up of this Bible story and the painting: Wrapped up in God

### **There are several times to worship together in the programme, including:**

**Saturday at 11am** there will be a Big Worship session in the Arena, featuring the Moses Brothers. At the same time a number of venues will offer focused worship activities.

**Saturday at 10pm** there will be late night Communion in The Park.

**Sunday 11:00 – 11:45** there will be a different kind of worship happening in every venue. Pick the one you fancy the most.

**Sunday 12:00 – 12:30** in The Park – a final celebration picnic, with music from the amazing Moses Brothers.

It's hoped that you will feel a deep sense of being wrapped up in God this weekend.

# Venue Descriptions

## Arena

Where it all happens! Dance, sing and groove to all the biggest performances here – we'll be blasting our speakers all weekend to get you moving. Bring your friends or join the crowd, everyone is welcome to catch the vibe!

## Art Station

Discover a whole host of new ways to get creative, and practise your artistic skills with our range of interactive workshops and Creation Stations! Explore your faith and learn more about the world around you while you create in a fun, collaborative environment.

## Chapel

Join together with your peers to worship in our inflatable church and discuss how you express your faith, or ask some questions about the different ways of worshipping. There's no one right way to worship, find out more here!

## Great Outdoors

Find out more about our fascinating world and how you can connect to it. Take part in interactive workshops to learn about people's relationship with nature, and push yourself to new heights with our climbing wall!

## Health & Wellbeing

Check in with yourself and take time to think about what your mind, body and spirit need. We have a relaxing space to provide whatever you need to have a calming, peaceful 3Gen, either to keep you grounded throughout the weekend or as a quick pit-stop to get your energy levels back up!

## The Theatre

Drama, musicals, magic, the theatre is a non-stop shop of excitement! Catch our programme packed full of top-notch performances from the pros and your 3Gen peers, and learn about how to perfect your drama and performance skills from industry experts.

## Town Hall

Where the big discussions will be for those who really want to stick their teeth into life's tough questions. Join together with your peers and discuss how we can use our voices to make the world a better place.

## Discovery Centre

A place for you to discover more about the Christian faith and what your journey with God could be like. With workshops going in-depth on faith topics, conversations exploring possibilities for you, and creative activities to help you think about what you might feel called to, both now and in the future.

## Eden

Explore the lush Garden of Eden and connect with the natural world while exploring how our faith brings us closer to nature, and nature brings us closer to our faith! Discuss some key issues and learn more as people share what Christianity means to them in his serene, beautiful space.

## Rec

A place to participate in fun sports and physical activities whilst making new friends. Explore our participation in sport alongside our Christian discipleship through The Methodist Way of Life to see how they link and work together.

## Park

Get a taste of the outdoors and stretch your legs in 3Gen's beautiful park! You can find a range of activities here, including performances on the stage, creative workshops as well as space to sit and chill amongst the liveliness of 3Gen.

## Hope & Anchor

A café space with real-talk on the menu. Relax with friends, play games, eat and drink, and have deep and meaningful conversations. Bring your ideas and questions about Christian faith to talk about with the team, or attend a real talk session.

## Tech Hub

The place to be for the technologically minded! Come and explore a range of fun tech with robots, games, DJ'ing, augmented reality and more! Make some friends in our interactive sessions about all things tech, and even learn how to repair your old gadgets!

## Calm

A place to relax away from the noise and hustle of 3Generate. Take time here to recharge or connect with the word around you in a way that appeals to all the senses.

## The Well

A space for our hard-working group leaders to relax and take time for themselves. Put your feet up and enjoy a range of refreshments, as well as some workshops and talks to help you and your group get the most out of 3Gen and the future.

## Globe

Explore the world from the comfort of 3Gen! Learn about new cultures and how they view the world, and share some perspectives on global issues. Whether you're a well-travelled geographer or someone looking to spread their wings, this is the place to learn and share.

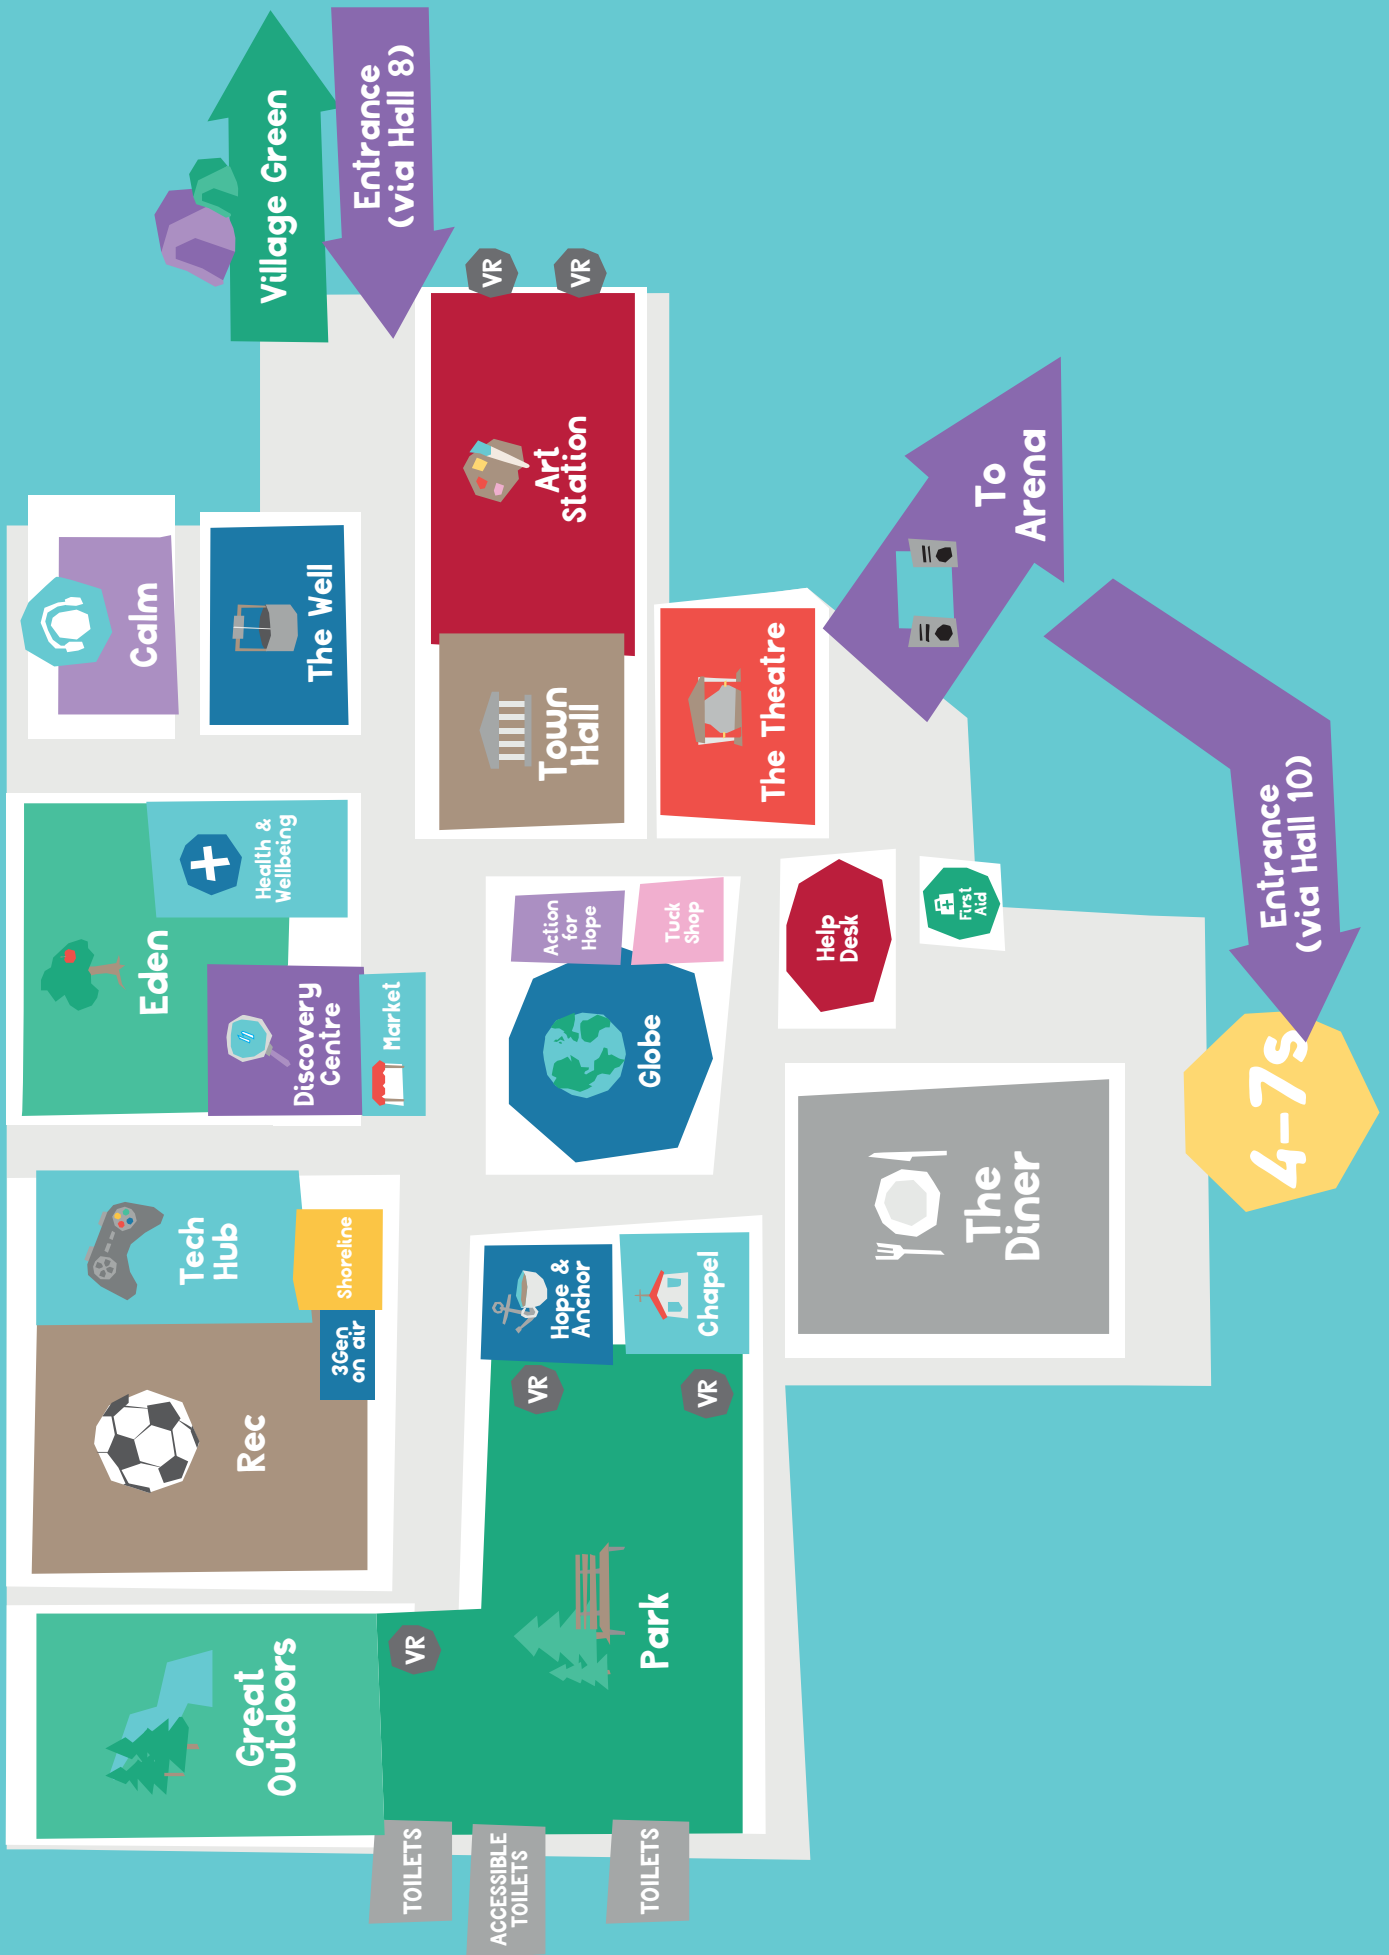

## The Diner

Fuel up on delicious food to keep your energy up across 3Gen weekend. A range of tasty dishes will be on offer – and options for vegetarians, vegans and any other dietary requirements you may have.

## Action for Hope HQ

The Methodist Church is working towards net-zero carbon emissions by 2030. It's a huge task, but so important at this time of climate crisis, and we need every one – no matter their age – on board! You can either drop-in to find out more or, if you're really serious about taking action, book a surgery slot and bring your whole group to do some serious planning for how you're going to lead the way when you get back home.

Explore practical ways in which children and young people can help lead churches in justice seeking and be agents of change in the world.
- 16:00 Mental health skills**  
How to be safe and have a boundaried approach, which enables young people to flourish as much as possible.
- 17:00 Chosen by God**  
Explore the meaning of vocation in children's and youth work.

## Sunday

- 09:30 Encouraging young people after 3Generate**  
How do we empower young people to get involved with their local church and community, to create positive change in the world, motivated by their faith?

# Youth Reps

## What are Youth Reps?

The Youth Reps are a team of young people who represent you in various meetings and events throughout the year. Look out for them around site at 3Generate – they will be wearing their maroon hoodies.

Do you want to be part of the Youth Rep programme in 2025?

- Are you passionate about representing the voice of young people in the Methodist Church?
- Do you like meeting new people and hearing different viewpoints?
- Do you want to be part of a team with other young Christians?
- Are you aged 16-21?

Then maybe the Youth Rep programme is for you!

As part of the Youth Rep programme you'll attend two residential weekends, meet regularly online with other Youth Reps, be involved in helping to shape 3Generate, and get involved in loads of interesting stuff! It's a lot of fun and a great way to meet new people and gain new skills.

**You need to apply by 25 October** to join the programme. Places on the programme will be offered based on your application form.

**To find out more about being a Youth Rep, and to apply, visit:**  
[methodist.org.uk/YouthReps](http://methodist.org.uk/YouthReps)

Applications for the role of Methodist Conference Youth Rep have already been received, as this is the one Youth Rep role that you vote for. Elections to decide who will represent you at Methodist Conference next year will be taking place at 3Generate (see the separate sheet for details of candidates).

## Are we saying goodbye?

Have you got to that point where, very soon, you'll be too old to attend 3Generate? Hard to believe, right? Well, fear not! There are many things that you can get involved with as a young adult.

Don't forget you can still apply to be a Youth Rep until you're 21!

Follow our socials @YAMethodists for more news and opportunities.

**If you are interested in leadership**, then look into the Leadership Year for 18-30 year olds. It consists of three residential weekends across the year to meet other young adults and explore leadership together. More details [methodist.org.uk/LeadershipYear](http://methodist.org.uk/LeadershipYear)

**Fancy a festival?** Join us in the Methodist Young Adult venue at Cliff Festival, for worship, workshops and lots of fun. The festival takes place at Cliff College from 23-26 May. We always offer some free tickets for young adults, so look out! [cliffcollege.ac.uk/cliff-festival](http://cliffcollege.ac.uk/cliff-festival)

**Why not come back to 3Generate as a young adult volunteer?!** You'll still get all the 3Gen feels, but you'll get the chance to put something back into the event. You can grow your skills, meet young adults and others from the Methodist Church and have a lot of fun. And even better, all your expenses are paid. What's not to love?

**We've got a couple of special sessions for those soon to become adults in the Discovery Centre this weekend. Look out for...**

- Getting your voice heard in the Methodist Church as a young adult (Saturday 10.30pm)
- Getting the most out of Uni (Saturday 10.30am)

## Helpline

If you need some help and you can't find your leader, then call our free Helpline on:

**0808 1694703**

## Careline

If you are anxious, upset or need someone to talk to, or if you are worried about someone else, then call our free Careline on:

**020 3372 0062**

## First Aid

There are first aiders and a youth support team on site to help you if you need it – ask a steward or venue team member. Your group leader can help you to work out ways to get help too.

# See you again next year?

## SAVE THE DATE

**3Generate 2025, Friday 3 to Sunday 5 October  
at the NEC, Birmingham.**

[3generate.org.uk](https://3generate.org.uk)
