About The Music

God Will Make A Way was written in response to a call for new hymns for a Christian Conference. The theme of the conference was (Mark 9: 23-24) 'And Jesus said...All things are possible to him who believes'

I felt that the best way to faith (belief) is to think about what God has already done, which is immense. I used examples from the journey and trials of the Children of Israel in the Old Testament as a starting point.

This hymn is a cross between a traditional hymn and a worship song. This First Edition includes two slightly altered music versions. The difference between the two versions is the way the song concludes. So pick what you like.

I want to thank especially Hersham Baptist Church who supported me from the very beginning with the writing of this piece. They invested a lot of time and energy for which I am very thankful.

I also want to thank the Salvation Army in Teddington and Norbury Methodist Church who have included this piece in their services.
