

Methodist Church: How ACAT can support your Churches

An Introduction to ACAT

ACAT is the charity for treasurers of all Christian churches. We aim to advance the Christian faith across all denominations by providing members with the most appropriate advice, training and information on accounting, financial, legal and other related issues. ACAT supports around 18,500 church treasurers across the UK - and this number is constantly growing.

Your ACAT Membership

ACAT works with denominations who wish to buy “block” – or bulk – membership for their treasurers. The Methodist Church has a block membership agreement in place for *all* its churches with ACAT.

To benefit from this fully, you are invited to log on to the new ACAT website and create your own Username and Password to access the Members’ Area. The website is accessible across all devices.

If you have not already registered, please follow these simple instructions:

1. Log onto acat.uk.com and click the member 'log in' tab in the top right hand corner;
2. Use your 'block' username: **Methodist** and password: **Susanna** and press “Log in”;
3. Click the link labelled **Click here to enter your account information** at the bottom of the page;
4. On the Membership Checkout page, click on the **HERE** hyperlink in the Block Members paragraph;
5. You will subsequently be asked to use your 'block code' (**Methodist**) again which will ensure that the fee to pay is £0.00;
6. Please create your own Username and Password before filling in your contact details and other requisite information.

This is a once-only procedure and your own login credentials will subsequently provide full access to ACAT’s website.
