

HASTINGS, BEXHILL and RYE METHODIST CIRCUIT

Community Worker

The Hastings, Bexhill and Rye Methodist Circuit is seeking to appoint an experienced and suitably qualified person to work as a Community Worker alongside the Methodist church in the village of Broad Oak / Brede in East Sussex.

Although small, the congregation at Trinity is passionate about its vision for the church's place in the community. An enhanced presence will encourage local people to use all that the church can offer, including its building, and in so doing enable people to glimpse and better understand God's love for them.

We are thus seeking to employ an enthusiastic and caring person, with a calling for community-based work within the context of a Christian church, who can help us build on our church's existing community links and develop new ones.

You will be able to make connections with all sorts of people, developing our relationships with the local community, being a regular presence in the village and building up links with the local school and its associated families.

This a part-time post with funding available for 2 years and possibly longer.

A specific faith is an essential requirement for this role and, in accordance with the Equality Act 2010, it is an occupational requirement that the successful applicant is a practising Christian.

Salary: £5,000 p.a. for 7 hours a week, with some flexible working required.

Closing Date: **11:59pm on 17th November, 2024.**

Please email applications@hbrmethodists.org.uk to express your interest and receive an application pack. Further information can be found at hbrmethodists.org.uk.
