Editing and downloading your social posts

1

Resources to invite people to church

Print resources

See below for links to order church posters and invitation postcards from Methodist Publishing, then add a sticker with your service information. Alternatively, add your own service information in Adobe or Canva and have them printed yourself.

Christmas Poster A2 (PDF)

Digital resources

Create your own social media posts and engaging PowerPoint presentations using these digital assets. There are illustrations for you to mix and match, and a digital background you can use as a template for your Facebook or Instagram post:

Edit my social posts in Canva

Download Christmas illustrations

Select ‘Edit my social posts...’ from **methodistchurch.org.uk/resources** to download the Christmas social templates

2

A template created by Lucy Morris was shared with you, start designing now

1080 × 1350 px

View template

Designed with Canva

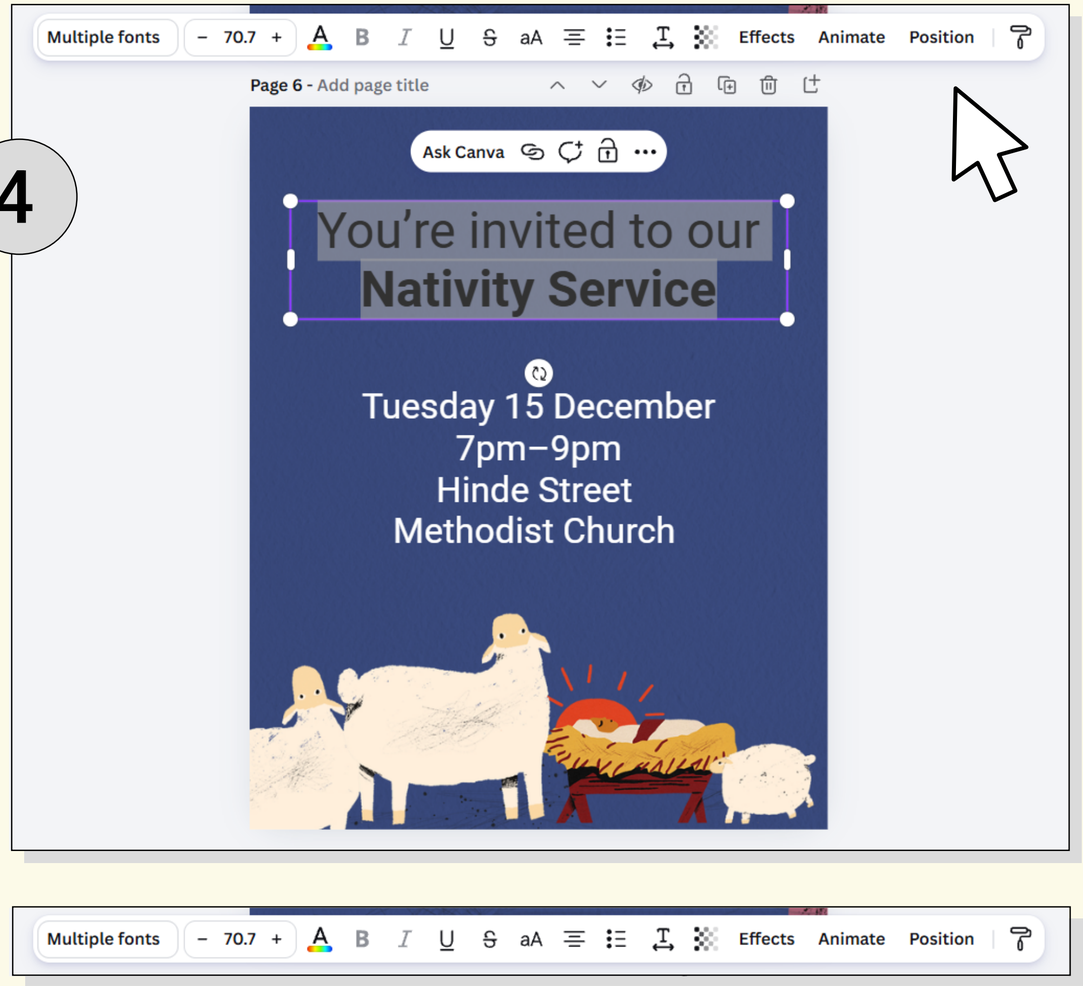

Select ‘View template’

3

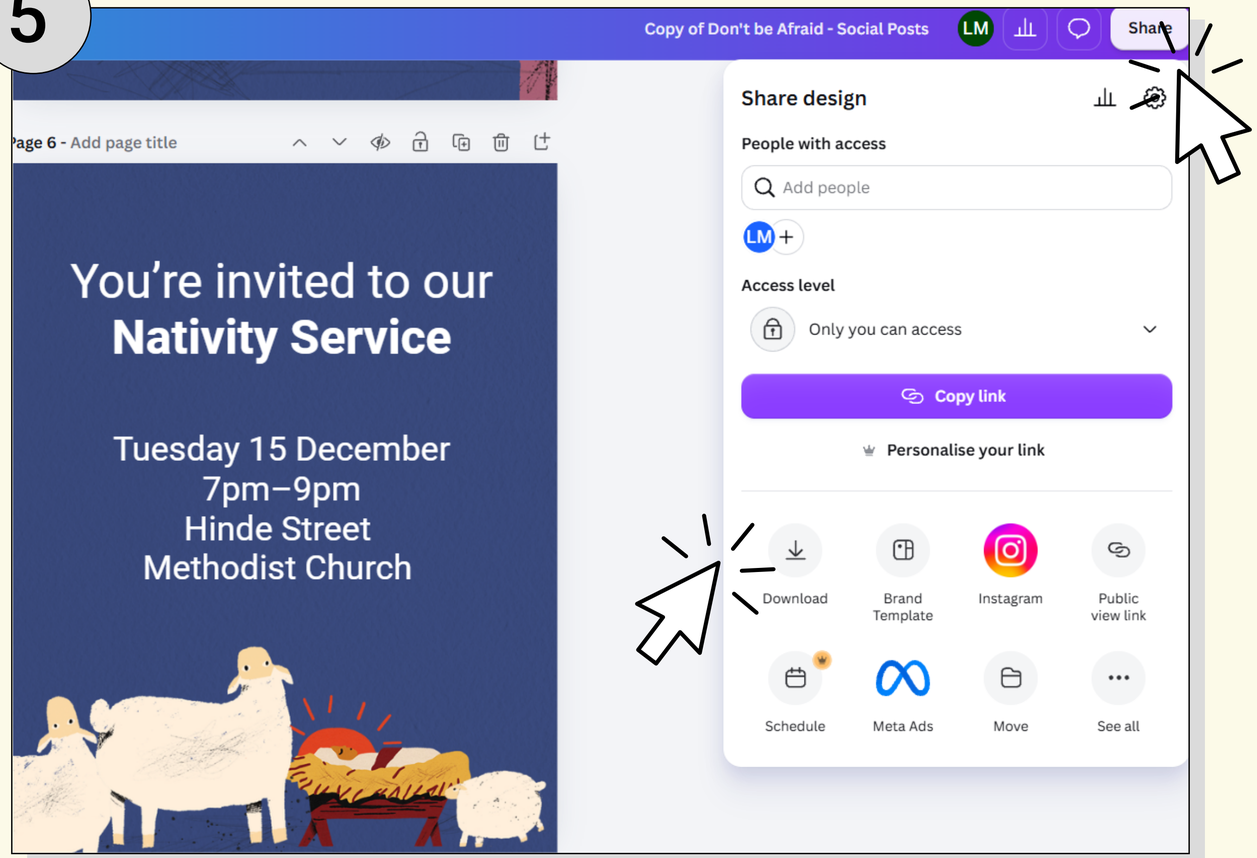

Choose from lots of different social media post templates

4

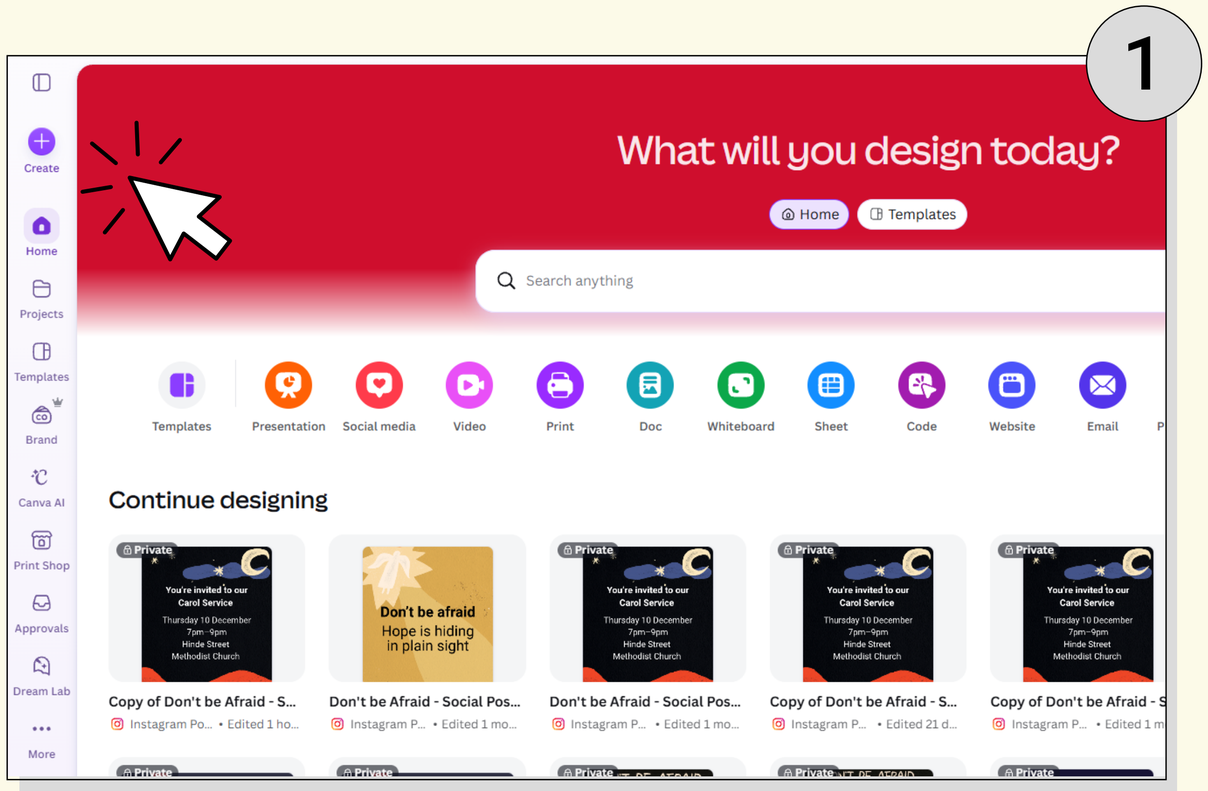

Use the Text function to edit and add the information you would like to share to your followers.
You may need to select the text you want to edit for the bar to show. We recommend using the brand font Roboto.

5

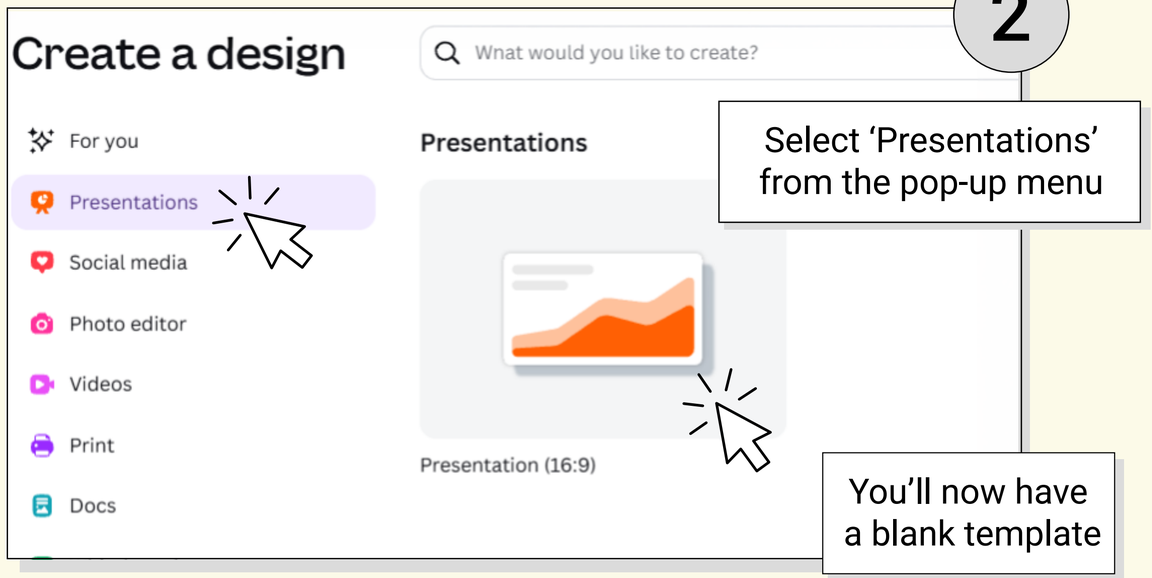

Select 'Share' from the top of the page and then 'Download' from the drop-down menu.
The social post(s) will now be available on your computer and ready to share to your social media channels.

Creating a Christmas PowerPoint with Canva

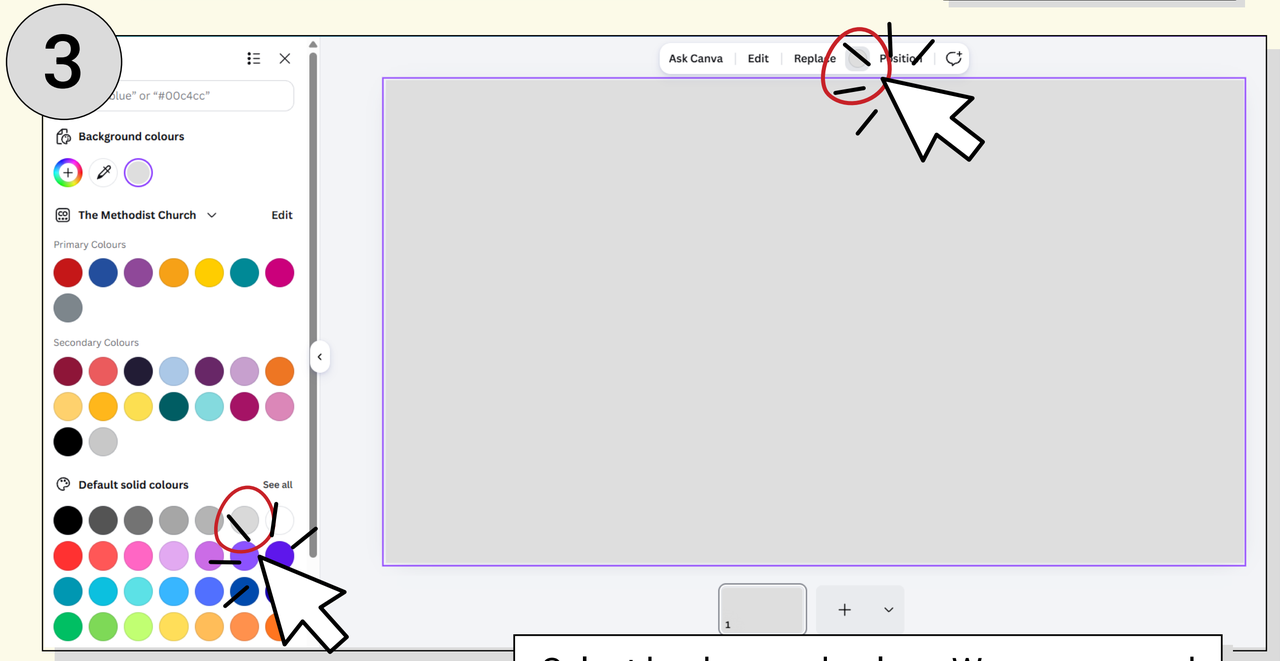

Click ‘Create’ from the left hand side-bar

Select ‘Presentations’ from the pop-up menu

You’ll now have a blank template

Select background colour. We recommend a light grey to improve accessibility
