

Guidance for Registering Churches and Circuits with the Charity Commission – Part 2

Stage 6 – Property

6.1 Property

You will need to indicate if the Local Church or Circuit has use of property or land. If you select “No” then skip to Stage 7. All Local Churches and Circuits which use or manage property should answer “Yes”.

There will be various questions generated and these will be different depending on whether you answer [Yes] to the Local Church or Circuit owning the land/property.

The screenshot shows a navigation menu on the left with tabs: Introduction, About charity, Income, Classification, Public benefit, Property (highlighted), Contact info, Regulators, Finance, Connections, Trustee details, and Declaration. The main content area shows 'Page 18 of 31' and two questions:

Does the organisation have use of land or property?
 Yes No

Does the organisation own the land or property?
 Yes No

Select “yes”. In the vast majority of cases, the Trustees for Methodist Church Purposes (TMCP) are the custodian trustee of the Local Property or Circuit Property, with the Church Council or Circuit Meeting as the managing trustees. If you are uncertain about this, please [contact TMCP](#).

Does the organisation own the land or property?

Yes No

What is the land or property used for?

You will need to explain in your own words what each building is used for. Whilst it does not form part of the question, we would recommend you explain the relationship between the Local Church or Circuit with TMCP.

For Local Churches - “The [name] Church Council act as managing trustees for the church building [address] (Property). The legal title for the Property is held by Trustees for Methodist Church Purposes

(TMCP) being a charitable body corporate established by the Methodist Church Act 1939 registered with charity number 1136358 as custodian trustees upon the model trusts declared in Part III of Schedule 2 to the Methodist Church Act 1976 (Model Trusts)”. If any other properties are managed by the Church Council adapt the passage accordingly. For example;

“The [name] Church Council act as managing trustees for the property [address] (Property) which is the caretakers’ cottage for the [name] Methodist Church. The legal title for the Property is held by TMCP as custodian trustees upon the Model Trusts.”

For Circuits – using the recommended template answer (below) detail each property managed by the Circuit Meeting.

The [Name] Circuit manages [Number] properties. The legal title for each of these properties is held by Trustees for Methodist Church Purposes (TMCP) being a charitable body corporate established by the Methodist Church Act 1939 registered with charity number 1136358 as custodian trustees upon the model trusts declared in Part III of Schedule 2 to the Methodist Church Act 1976 (Model Trusts).

Property 1: The manse [address]

Property 2: [address]

Property 3: The church building [name and address] which is held as an investment, worship no longer takes place in this building.

Should you indicate that the Local Church or Circuit does not own land or property then the following question will appear:

Does the organisation use premises owned by a trustee or someone related to a trustee?

Yes No

Unless a trustee (or person directly connected to a trustee) personally owns the property that the Local Church or Circuit uses, you should select “No” to this question. If you say “Yes”, then further questions will be generated such as “Who owns the property and what is their relationship to the organisation” and “please explain the basis on which the organisation uses the premises”.

Again, additional questions will appear if you have stated that the Local Church or Circuit does not own the land or property.

Who owns the land or Property?

Last updated 17.07.2024

Provide full details of the agreements that are in place regarding the organisation's use of the land or property:

What is the land or property used for?

You will need to confirm if the Local Church or Circuit receives business rates relief from its local authority. If it does, you will need to confirm why i.e. *It is a charity existing for exclusively charitable purposes and is therefore entitled to the relief.*

Will any land or property used by the organisation benefit from Business Rate relief?

Yes No

Please give more details.

7.2 Organisation Contact

The next page is almost identical to the page detailed at 7.1. However, this section is about who will be the main contact for the charity after registration i.e. who the Charity Commission will contact to get in touch about the charity.

If the main contact for the charity is the same person as the person making the registration, provide the same contact details. If the main contact is a different person insert their details.

This information will be used by the Charity Commission to contact the Local Church or Circuit as necessary. **It is therefore important that the email address given to the Charity Commission is checked regularly and is accessible by more than one trustee.** Otherwise there is a risk that important emails from the Charity Commission requiring the trustees to take action will not be received.

7.3 Organisation Details

You will need to insert the organisation's details which may be similar to those inserted during stage 7.1 or 7.2. This information will be publicly available on the register of charities.

Insert the contact details for your charity. This will usually be the address of the church building or the Circuit office.

If your Local Church or Circuit has a website, you should place a link to that website in the corresponding box.

Last updated 17.07.2024

You will need to give an email address for public display. This email account must be checked regularly and should be accessible by more than one trustee.

The Methodist Financial Year mirrors the Connexional Year, running from 1 September until the following 31 August.

Tick as many of the forms of fundraising as apply to your charity. Most Methodist Churches will raise money from:

- Public Donations

Some charities may perform “other trading activities” such as operating a café or shop. Some Local Churches or Circuits may be using the services of professional fundraising consultants.

Ticking any of the options will bring up a dialogue box in which you are requested to explain what measures are in place to ensure that the monies are properly obtained and scrutinised. Other information may also be asked for and a guidance document will appear for each. You should read the associated guidance and prepare an answer in your own words.

Example answer for Local Church for public donations:

Most donations are received during collection at weekly services, these are anonymous and non-compulsory.

Any large donation or string of donations are discussed at the next meeting of the Church Council. The Circuit Treasurer and a member of the District Policy Committee is invited to attend the meeting and advice may be sought from the District Policy Committee.

Other fundraising activities include the Christmas Fete and... Donations are provided at these events. If any irregularity appears in donated sums the irregularity is discussed at the next meeting of the Church Council and advice may be sought.

- Any position of political or public authority held by any of the trustees;

Yes No

[Save and Continue](#) [Save & exit](#)

You should answer “No” unless there are any other personal benefits the Charity Commission should be made aware of.

The general rule is no person should derive a personal benefit from your charity. However, it is possible for a trustee to derive a personal benefit if the Standing Order 019A procedures are properly followed, as per paragraphs 2 and 16 of the Model Trusts (see the following [paper](#) to the Methodist Conference in 2020).

In the first box state:

No trustee should derive a personal benefit from the [Name] Methodist Church/Circuit. However, it is possible to derive a personal benefit if Standing Order 019A has been complied with.

In the second box copy and paste SO 019A, a copy of SO 019A (below):

019A Conflicts of interest and duty

(1) This Standing Order applies to all situations in which a trustee or managing trustee of Methodist property or member of a church court has an interest in any question falling to be considered by the relevant trustees or church court or some duty or loyalty to another person or body in relation to any such question.

(2) This Standing Order has effect so far as any applicable trust instrument permits.

(3) In the remainder of this Standing Order provisions expressed by reference to a church court or its members shall, subject to clause (2) above, apply equally to other trustees and managing trustees within the scope of this Standing Order.

(4) Subject to clauses (7) and (8) below a member of a church court with such an interest, duty or loyalty shall, if present, disclose it to the other members present before the discussion of the relevant question opens, if it is on the agenda, or, if it is not, as soon as it is raised, and shall not preside over any discussion or vote on any resolution relating to that question. Such a member shall withdraw from the meeting while the question is discussed and any resolutions voted upon unless, after such disclosure:

- (i) a majority of the other members present approves that member's remaining and contributing to the discussion; or
- (ii) a majority of the other members present approves that member's remaining on terms that he or she shall not contribute to the discussion unless asked by the person presiding over the discussion to comment on a particular point or points, in which event his or her contribution shall be limited accordingly.

(5) Without prejudice to the generality of clause (1) above, for the purposes of this Standing Order:

(a) a member has an interest in a question if, for example, it involves or may involve a decision whether or not the church court shall:

- (i) enter into any contract with that member; or
- (ii) do anything which will or may lead to the receipt of any remuneration or other benefit in money or money's worth or the incurring of any liability by that member or to the loss of or release from or a change in any such remuneration, benefit or liability; or
- (iii) sell property to or buy property from that member

whether, in any of those cases, the member in question acts alone or jointly with one or more other persons, and

(b) a member has a duty or loyalty to another person or body in relation to a question if, for example, that other person or body is interested (whether directly or indirectly) in that question and he or she has been elected or appointed as a trustee or managing trustee by that other person or body or is also a member, trustee or managing trustee of that other body.

(6) A member of a church court shall not be liable to account to that court or to any fund administered by it for any benefit received (whether directly or indirectly) from such an interest if the liability would have arisen solely from the existence of that interest and he or she:

- (i) is not present at the meeting at which the relevant decision is made and has not sought to influence that decision; or
- (ii) is present at the relevant meeting and has complied with clause (4) above.

(7) Where a member of a church court has a duty or loyalty within clause (1) above to another church court then that member shall, if present, disclose it at the outset of any meeting and may thereafter participate fully in any business of the meeting affected by that duty or loyalty unless, in relation to any particular item of such business, a majority of the other members present require him or her to comply with the provisions of clause (4) above.

(8) For the purposes of clause (7) above, disclosure through the process specified in Standing Order 411(1A), (1B), 514(2A) or 613(2A), where applicable, is sufficient disclosure.

(9) In the application in jurisdictions outside England and Wales of this Standing Order and the provisions specified in clause (8) above:

- (i) they shall take effect only so far as consistent with and applicable under the law of the local jurisdiction; and
- (ii) they may by resolution of the Conference be revoked or amended in their application in any specified jurisdiction.

In the first box state how many persons are presently members of Church Council or the Circuit Meeting.

The minimum number of trustees for a Church Council is 7 (seven) – see Standing Order 612.

There is no prescribed minimum for Circuit Meetings as they are constituted in accordance with section 51 of Standing Orders.

EITHER

The Circuit must decide how many persons should be expressed to be the minimum number of persons to adequately represent the life of the Circuit, giving consideration to age, sex and ethnic origin. This agreed minimum number should be recorded in the minutes of the Circuit Meeting and entered onto the registration form.

OR

Circuits constituted in accordance with Standing Order 510 (summarised below) must calculate the total number of persons required to meet the minimum membership quota, which will depend on the number of Local Churches and ministers in the Circuit.

- The Superintendent and every Methodist Minister and probationer in the Circuit
- Every non-Methodist person authorised to serve as a minister in the Circuit
- All the Circuit stewards
- Any other person stationed within the Circuit who has expressed a wish to be a member of the Circuit Meeting (e.g. Supernumerary ministers)
- Any local lay-pastors appointed by the Circuit Meeting

- Any Circuit employees whom the Circuit Meeting has agreed to appoint as members of the Circuit Meeting
- The secretary of the Circuit Meeting
- The secretary of the Local Preachers Meeting
- One Church Steward per Local Church
- One Church Treasurer per Local Church
- The number of elected representatives from each Local Church (the number to be agreed by the Circuit Meeting)
- Anyone else the Circuit Meeting may wish to appoint to ensure that all areas of the life of the Circuit are adequately represented (such number not to exceed the number of elected representatives from each Local Church)

Example: In a Circuit consisting of five Local Churches, each Local Church has a minister, one of whom is also the Superintendent, and every Local Church has agreed to elect one additional representative. There are no supernumeraries, probationers, local preachers, local lay-pastors or employees. One minister from another denomination is authorised to serve. Three of the Local Church stewards also serve as the Circuit Stewards and one of the elected Local Church representatives is also the Circuit Meeting secretary. The Circuit Meeting has decided there is no need to make any further appointments to ensure adequate representation in the life of the Circuit. In that example, the smallest the Circuit Meeting can be is 21 persons, comprised as follows:

Ministers	5 (including the Superintendent)
Local Church Treasurers	5
Local Church Stewards	5
Elected Local Church Representatives	5
Minister from other denomination with authorisation to serve	1

Do you want to attach any supplementary documentation?

Yes No

Attach

File name

Is there any additional information that the Charity Commission should take into account?

For example, a critical funding deadline or notification about CIO provisions for entrenchment.

Yes No

You may attach any other supplementary documents as appear necessary to the application for your charity. If you have a safeguarding policy then we would recommend you attach it to the application as a supplementary document as the Commission may ask for a copy if you have indicated that the Local Church/Circuit works with children or vulnerable adults. A model safeguarding policy for a Local Church can be found on page 104 of the Safeguarding Policy, Procedures and guidance for the Methodist Church:

<https://www.methodist.org.uk/safeguarding/policies-procedure-and-information/policies-and-guidance/>

A model safeguarding policy for a Circuit can be found on page 110.

If there are any special circumstances for the application of your charity, select “Yes” and explain the special circumstances in the box provided e.g. there is an urgent need for the charity to be established before a certain date, or there is anything you wish to tell the Charity Commission about the application which was not covered in the online form.

Ensure that all of the trustees read the Data Protection Statement and that all the trustees are happy with the information that has been provided.

It is important to make a note of your application reference number as you may need to quote this in future correspondence.

Once you are satisfied that all of the information in the application is both full and correct tick the box to certify that all of the data has been checked and that all the trustees have read and accepted the Commission’s privacy terms.
