

HASTINGS, BEXHILL and RYE METHODIST CIRCUIT

Community Outreach Worker

The Hastings, Bexhill and Rye Methodist Circuit is seeking to appoint an experienced and suitably qualified person to work as a Community Outreach Worker alongside the Methodist churches in Battle and Ninfield, East Sussex.

We are seeking to employ an enthusiastic and caring person with a calling for church and community-based work, who can help us to build on and develop the links we have with families, children and the wider community.

You will be able to make connections with all sorts of people, building relationships with groups both inside and outside the church and promoting the church as a welcoming and supportive presence. You will be able to provide opportunities for people to explore issues of faith, wherever they might be on their spiritual journey, and be able to support and encourage inter-generational worship opportunities.

With new housing being built near both churches, there is now a real opportunity to develop our welcoming Christian presence, reach out to the community and to encourage and enable the current church community to share the love of God in Jesus with those around them.

This a full-time post with funding available for 3 years and possibly longer.

A specific faith is an essential requirement for this role and, in accordance with the Equality Act 2010, it is an occupational requirement that the successful applicant is a practising Christian.

Salary: £25,000 p.a. for 35 hours a week, with some flexible working required.
