

COMMUNITY HAIR SALON

REQUIRES | ASSISTANT SALON MANAGER

23hrs per week – Living wage | 3 year contract, commencing October 2024

Set working hours – Salon based

REV7 Community Hair Salon is excited to announce the opening of this New Place for New People project in Plymouth.

An innovative vision to meet people where they are at, in order to offer hair services that transform both hair and heart. Situated in the heart of Mutley Plain, REV7 is a professional working salon offering excellent hair services, while seeking to reach out to those who would otherwise be excluded from accessing such services.

For the right person this is an exciting missional project within the life of the Methodist Church as we seek to intentionally build new relationships and communities – re-imagining what following Jesus may look like in this context.

The salon is an open and inclusive venue; supporting work alongside the LGBTQIA+ Community – Open Table Network and PACT (Plymouth Affirming Churches Together), and those on the margins of society.

We require an Assistant Salon Manager, to work alongside our Salon Director – Rev. Darren Middleton, who also co-ordinates the NPNP work across the Southwest Peninsula Methodist District.

This post will require a professional / qualified hair stylist – therefore a trade test will also be needed to ensure the correct skills.

This post requires a satisfactory enhanced disclosure from the Disclosure and Barring Service (DBS). Given the nature of the project it is preferable that the post holder is a Christian with an open and inclusive theology. References will be taken up prior to interview in line with the Methodist Church safer-recruiting policy.

Please request an application pack by emailing Rev Darren Middleton at: darren@rev7hair.co.uk

Closing date for applications is 31st August 2024
