KEEP TUNING IN!

3Generate is brilliant, but it is just one weekend. We want to encourage you to keep tuning in to God, the world and each other throughout the whole year. Together you can keep on asking your selves, 'What is God saying?' and 'What next?'

To help with this, we've created the resource below. It follows similar lines to the conversation starters offered during Group Time at the 3Generate weekend.

1. TIME TO CONNECT

Choose any of the questions below that best suit the young people in your group. Some are more suitable for those already on their faith journey, and some more suitable for those who aren't. Or ask your own questions to spark conversation...

TUNE IN TO GOD.
THE WORLD AND
EACH OTHER

- What helps you to tune in to God?
- When have you felt connected to God?
- Have you read, watched or listened to anything that has inspired or challenged you?
- Have you had any conversations with other people that have inspired you or challenged you?
- What Methodist Way of Life practices have you engaged with?
- Which of the Methodist Way of Life practices helps you best connect with God?

WHAT IS GOD
SAYING?

- What might God have been saying to you?
- How do you know or recognise when you're hearing from God?
- Is there something you think you'd like to try, or do differently, as a result of being challenged or inspired?

- In what ways have you been inspired to take action on anything?
- What is just yours to do? What can you do with the help of family and friends? What might the group work on together?
- What can we/you invite the local church to help with? How could we/you tell the church about this?

2. TIME TO RESPOND

Share with your church or others about how your group has been tuning in to God, or tell others about an issue your group is passionate about. Why not respond in one of the following ways?

1. A presentation to your church or church council.
2. A poster displayed in a prominent place for everyone who uses the church building to see.
3. A short video featuring members of your group talking about a particular issue or how they tune in to God, the world and each other.
4. A podcast similar to the above.
5. A prayer or series of prayers to be shared with your church.

CAN YOU HELP TO TELL THE STORY OF 3GENERATE 2024?

It would be great to see and share your posters, videos, podcasts and prayers, or hear any stories of children and young people who have been inspired to make a difference. Please do send them (and any other creative ways of telling people about your response to 3Generate) by email to 3Generate@methodistchurch.org.uk

3. TIME TO PRAY

If you feel it is appropriate, take some time at the end to pray with and for each other. Encourage everyone to keep on tuning in to God, the world and each other.
