

Training

We will be holding a Delivery Team Building and Briefing Day on Saturday 7th September from 11am to 3pm at the NEC. This will be a chance to find out more about the event, your role and meet others in your team. Travel expenses to the event will be covered and lunch will be provided as part of the day.

A recording of the day will be available for those who are unable to attend.

Foundation Safeguarding

All Delivery Team Members should have completed Foundation Safeguarding Training (Creating Safer Spaces). This training is usually available through your District.

Unconscious Bias and Equality, Diversity & Inclusion Training

Unconscious Bias and EDI training should be completed through the Methodist Church's portal MCBX. <https://mcb.theologyx.com>

Both courses can be found in the dashboard of MCBX. Once you have completed your training you will be able to download your certificate through the dashboard. Please then upload a copy of your certificates to your iKnow Church profile.

If you have completed the Introduction to Unconscious Bias as a face to face training within your Circuit or District, please update iKnow Church to advise the date of training and the name of your trainer (this must be The Methodist Church's Unconscious Bias training).

Accessibility Training

We are asking all Delivery Team to undertake online accessibility training and this will also be available through the Methodist Church's portal MCBX. <https://mcb.theologyx.com>

iKnow Church

iKnow Church is 3Generate's Event Management System. The system can be accessed here:

<https://methodistchurchlondon.myiknowchurch.co.uk/>

Please log in to update your records of training and DBS certificate, as well as advise us of any accessibility needs, dietary requirements or allergies.
