

3GENERATE

Methodist Children & Youth Assembly

3Generate 2024 is drawing ever-closer, and excitement is building as everything begins to fall into place. Tickets are still **on sale until July 21st**, as we prepare our jam-packed programme and look towards setting up our wide range of venues. Here are a few updates for this year's event:

Programme

From Friday nights mass silent disco to Instagram star Joel Mawhinney (of Blue Peter fame!) performing tricks and illusions, the weekend kicks off in style! The list could go on and on, but highlights include LEGO robotics, VR escape rooms, a hands-on creepy crawlies experience and a tshirt upcycling workshop.

Elsewhere we have a number of rolling programmes across venues, with a variety of sports, arts and crafts and talks to dip in and out of to get a taste of everything 3Gen has to offer.

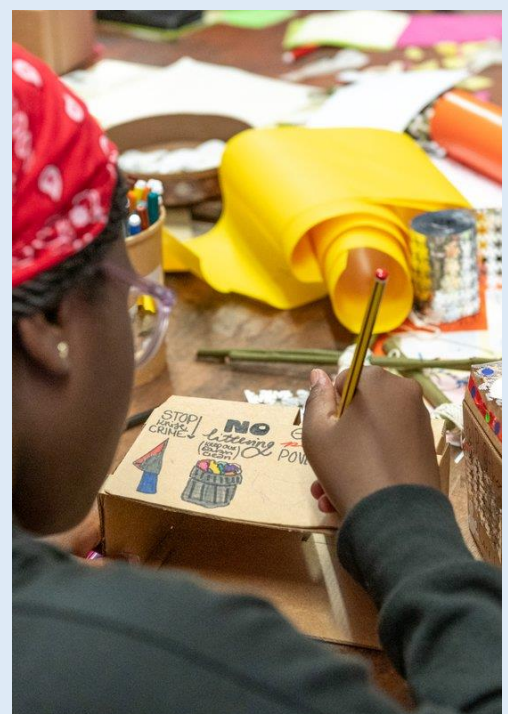

For those who want to discuss, listen and learn, sessions include covering big questions such as 'Why does God allow suffering?' and 'Where do I see myself in the Bible?' which explores the relationship between marginalized groups and the Bible.

We have workshops on protesting for the things you care about, as well as discussions on poverty, the power of money, and a chance for the young people of 3Generate to put themselves forward as Prime Minister and share their plans for the country!

In addition to a packed schedule in existing venues, we now have an expanded 4-7s area, so even the younger members of our community can enjoy 3Generate. This will include a soft-play double decker bus, sports tournaments, mini climbing wall, and a circus skills workshops amongst many more interactive sessions and activities. Take a look at the attached leaflet to find out more. Don't forget children need to be accompanied by a significant adult in their lives who get to come for free!

Watch our brand new animation video for more details on this year's 3Generate and why it really matters to bring children, young people and their leaders together.

"Across the weekend there are loads of ways to worship in a style that suits you, from singing to action to tech to art. We will have the amazing Moses Brothers and David's Harp bands with us for the weekend. All of the worship will help us to know what it feels like to be wrapped up in God's presence. Coming soon is a pack of resources that can be used by any church to share in the same worship themes in the week before 3Generate, during and after."

Volunteering

As wonderful as our programme is, it would be fruitless without our amazing team of dedicated volunteers. It's been incredible to see so many people already signed up, but more willing hands are always needed! There are many different roles to suit all kinds of skill sets, ages, and abilities, and all volunteers will have accommodation, meals and travel fully reimbursed, as well as getting a free 3Gen hoodie!

Currently we are most in need of village hosts, people to offer help and support to our young people in the camping area. However, there is still need for volunteers across the board for working with specific venues, supporting those with additional needs, or guiding people around the event as a steward. For more information on the range of roles available, watch this short video: [Volunteer at 3Generate 2024 on Vimeo](#)
