Dear Bishop Harald Rückert,

We write to you today to express our deep condolences, and those of the Methodist Church in Britain, to you and all of our brothers and sisters in the Evangelisch-methodistische Kirche, following the devastating floods in various regions of Germany.

With great sadness we have been reading the news reports and seeing the pictures of the destruction and loss that has been caused. We are particularly saddened to hear about the tragic loss of life, and that many people are still reported missing.

We know that the EmK is already involved in raising funds and helping those who have suffered loss in practical ways where possible. Church being church, for such a time as this. We wish you and all our colleagues in the EmK God's grace, strength and wisdom as you stand with those who grieve and have suffered loss at this time.

Please know that your partners in MCB stand with you. You are very much in our thoughts and prayers.

In Christ,

With best wishes,

Mrs Barbara Easton
